

UNITED STATES DISTRICT COURT  
EASTERN DISTRICT OF WISCONSIN

---

DANIEL ANDREOLA,

Plaintiff,

v.

Case No. 04-C-282

DENNIS GLASS,

Defendant.

---

**ORDER WAIVING TRANSCRIPT FEES**

---

Plaintiff previously filed a motion [193] requesting the United States pay for transcripts needed for his appeal in the above matter. The court denied the motion without prejudice in its order of September 29, 2006 on the ground that plaintiff had not yet filed his Notice of Appeal and paid his initial partial filing fee. See 28 U.S.C. § 1915(c). Plaintiff has now done so and, since I have already concluded that his appeal is not frivolous, it is appropriate to again address his motion. This matter was tried to a jury, and a transcript of the trial and pretrial proceedings is necessary in order for the Court of Appeals to properly address the issues plaintiff seeks to raise. I therefore conclude that plaintiff's motion should be granted and the United States is hereby directed to pay for the transcript of the trial and pretrial proceedings in this matter.

**SO ORDERED** this 22nd day of November, 2006.
